Packing Unit: 4

# HYDRATION COACH

THE SMART INSULATED BOTTLE

# DRINK SMART. STAY HYDRATED.

Stay one sip ahead. This smart vacuum flask keeps you going throughout the day with a drink reminder, digital thermometer and rechargeable technology. The double-wall vacuum insulation keeps drinks at the right temperature, while the wide opening makes

it easy to add ice cubes. Leak-proof, food-safe and equipped with a practical handle, it is equally suited to the office, sports and life on the go. 600 ml capacity, including charger - for everyone who wants to stay smartly hydrated.

## LEAVE THE BEACH. TAKE THE SAND.

The URBAN SAND ROLL TOP backpack made from robust tarpaulin is ready for whatever the day brings. The durable, wipe-clean material in a modern sand colour reliably protects laptops up to 17", tablets and more from the elements. The roll top closes quickly and securely thanks to its magnetic fastener, while water-repellent zips and the concealable zip pull that doubles as a mini carabiner provide extra security for the front pocket. Clever interior compartments, a hidden pocket for tracking devices such as the APPLE AirTag®, and a discreet rear security pocket keep everything organised on the go. With a capacity of around 15 litres, a trolley sleeve and IPX4 splash protection, it is the ideal companion for the office, commuting and travel.

BLACK

**TROIKA BLACK ROLL TOP COMPACT** | BBL41/BK

Packing Unit: 2

# FOR TWO WHO LIKE EACH OTHER!

The LUXURY CHARGING DUO combines elegant design with maximum charging power. With up to 100 W Power Delivery (PD), it easily charges laptops – or two devices at once thanks to its practical USB-C split end. The integrated LED indicates the charging status: red for normal charging, green for fast charging. The 150 cm cable (120 cm main length + 30 cm split ends) gives you extra freedom – ideal for two users at one table or on the sofa. Durable nylon braiding, sleek gunmetal finish and a USB-C to Lightning adapter (27 W) included – perfect for phones, tablets and more.

## LUXURY CHARGING DUO | CBL15/GM

Charging cable 2-in-1 for simultaneous charging of 2 devices, 100W high-speed Power Delivery (PD), USB-C to dual USB-C, with data transfer function, full charging capacity up to 100W/20V/5A, with integrated LED charging indicator: green light = PD fast charging, red light = normal charging, incl. USB-C to Lightning adapter (max. 27W), textile-braided cable (mesh structure), total length 150cm, metal, nylon, black/gunmetal
