TROIKA®

PRODUCT RANGE CATALOGUE 2024

GIVE SOMETHING
WORTH REMEMBERING...

It's 2024 - new year, new opportunities!
We have divided the new TROIKA catalogue, the „product programm", into three „life situations" in which our products offer great opportunities to make everyday (business) life easier with well thought-out products:

1. EDC (page 3-48)
What do I always have with me, i.e. „Everyday Carry = EDC", what are personal accessories that are indispensable for me in everyday life? Take a look at the items in the following subcategories: keyrings, CONSTRUCTION writing instruments, card cases, small tools and torches.

2. Smart Travel (page 49-73)
True to our motto „Organised on-the-go", we have divided this section into 2 sub-categories, which include larger and smaller travel accessories. From adapters to cable boxes, from rucksacks to passport covers, from hand luggage suitcases to document cases.

3. Men's gifts (page 74-82)
It's not just on Father's Day or at Christmas that we ask ourselves: What do you give a man who already has everything? Find inspiration and product innovations that will bring joy to the giver and the recipient.

We look forward to your feedback and orders!
For more information about our products, go to our business customer shop **business.troika.de**, which is available 24/7.

Kind regards from Germany,

Liudger Boell

CEO

P.S.: And now have fun browsing through the new catalogue!

CONSPICUOUS!

This bum bag is made of extremely reflective nylon – safety first when doing outdoor sports in the dark. The bag can be easily stashed away in bad weather – and it's splash-proof to IPX4, with rubberised zip closures. There's a secret compartment hidden in the padding on the back. With an adjustable strap for carrying on the stomach or back, or as a cross-body bag. Grey and black, washable at 30°C.
